DECLARATION UNDER RULE 132

Dietmar Hueglin, the undersigned, states:

That I received a Ph.D. in Chemistry from Freiburg University, Freiburg, Germany;

That I have been employed by Ciba Specialty Chemicals Corporation since 1996;

That I have approximately 16 years of chemical research and development experience; that from December 1996 to date I have worked in the Research and Development laboratories of Ciba Specialty Chemicals Corporation;

That I invented the subject matter disclosed in GB 2319523 related to stabilization of personal care products. Specifically I invented the subject matter related to sun protecting compositions on page 92 and skin and hair applications on pages 44-45 therein.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
